

MATERIAL SAFETY DATA SHEET

1. Product and Company Identification

Material name	HP LaserJet Q2612A-L-AD Print Cartridge
Use of the preparation	This product is a toner preparation that is used in HP LaserJet M1005mfp/1010/1012/1015/1018/1020/1020 plus/1022/M1319fmfp/3015/3020/3030/3050/3050Z/3052/3055 series printers.
Version #	09
Revision date	03-18-2009
Company identification	Hewlett-Packard Company 3000 Hanover Street Palo Alto, CA 94304-1185 United States Telephone 650-857-1501
	Hewlett-Packard health effects line (Toll-free within the US) 1-800-457-4209 (Direct) 1-503-494-7199 HP Customer Care Line (Toll-free within the US) 1-800-474-6836 (Direct) 1-208-323-2551 Email: hpcustomerinquiries@hp.com
Date prepared	Mar 18, 2009
lazards Identification	
Acute health effects	
Skin contact	Unlikely to cause skin irritation.
Eye contact	May cause transient slight irritation
Inhalation	Minimal respiratory tract irritation may occur with exposure to large amounts of toner dust.
Ingestion	Low acute toxicity. Ingestion is a minor route of entry for intended use of this product.
Potential health effects	
Routes of exposure	Potential routes of exposure under normal use conditions are skin, eye contact and inhalat
	Ingestion is not expected to be a primary route of exposure for this product under normal u conditions.
Chronic health effects	Prolonged inhalation of excessive amounts of any dust may cause lung damage. Use of th product as intended does not result in inhalation of excessive amounts of dust.
Carcinogenicity	None of the ingredients have been classified as carcinogens according to EU, IARC, MAK, NTP, OSHA or ACGIH.
Other information	This product is not classified as hazardous according to OSHA CFR 1910.1200 or EU Directive 1999/45/EC, as amended.
	This preparation contains no component classified as Persistent, Bioaccumulative, and To: (PBT) or very Persistent and very Bioaccumulative (vPvB) as defined under Regulation (EC 1907/2006.

3. Composition / Information on Ingredients

Component/substance	CAS number	% by weight
Styrene acrylate copolymer	Trade Secret	< 55
Iron oxide	1317-61-9	< 50
Amorphous silica	7631-86-9	< 3

4. First Aid Measures

4. First Aid Measures	
First aid procedures	
Eye contact	Do not rub eyes. Immediately flush with large amounts of clean, warm water (low pressure) fo at least 15 minutes or until particles are removed. If irritation persists, consult a physician.
Skin contact	Wash affected areas thoroughly with mild soap and water. Get medical attention if irritation develops or persists.
Inhalation	Move person to fresh air immediately. If irritation persists, consult a physician.
Ingestion	Rinse mouth with water. Drink one to two glasses of water. If symptoms occur, consult a physician.
5. Fire Fighting Measures	
Flash point and method	Not applicable
Hazardous combustion products	Carbon monoxide and carbon dioxide.
Flammable properties	Like most organic material in powder form, toner can form explosive dust-air mixtures when finely dispersed in air.
Extinguishing media Suitable extinguishing media	CO2, water, or dry chemical
Unsuitable extinguishing media	None known.
Unusual fire and explosion hazard	Like most organic material in powder form, toner can form explosive dust-air mixtures when finely dispersed in air.
Protection of firefighters	
Protective equipment and precautions for firefighters	If fire occurs in the printer, treat as an electrical fire.
Special firefighting procedures	None established.
6. Accidental Release Measures	
6. Accidental Release Measures Personal precautions	Minimize dust generation and accumulation.
6. Accidental Release Measures Personal precautions Environmental precautions	Minimize dust generation and accumulation. Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations.
Personal precautions	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal
Personal precautions Environmental precautions	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations. Slowly vacuum or sweep the material into a bag or other sealed container. If a vacuum is used, the motor must be rated as dust explosion-proof. Clean remainder with a damp cloth or vacuum cleaner. Fine powder can form explosive dust-air mixtures. Dispose of in compliance
Personal precautions Environmental precautions Other information	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations. Slowly vacuum or sweep the material into a bag or other sealed container. If a vacuum is used, the motor must be rated as dust explosion-proof. Clean remainder with a damp cloth or vacuum cleaner. Fine powder can form explosive dust-air mixtures. Dispose of in compliance
Personal precautions Environmental precautions Other information 7. Handling and Storage	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations. Slowly vacuum or sweep the material into a bag or other sealed container. If a vacuum is used, the motor must be rated as dust explosion-proof. Clean remainder with a damp cloth or vacuum cleaner. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations.
Personal precautions Environmental precautions Other information 7. Handling and Storage Handling Storage	Do not flush into surface water or sanitary sewer system. See also section 13 Disposal considerations. Slowly vacuum or sweep the material into a bag or other sealed container. If a vacuum is used, the motor must be rated as dust explosion-proof. Clean remainder with a damp cloth or vacuum cleaner. Fine powder can form explosive dust-air mixtures. Dispose of in compliance with federal, state, and local regulations. Keep out of the reach of children. Avoid inhalation of dust and contact with skin and eyes. Use with adequate ventilation. Keep away from excessive heat, sparks, and open flames. Keep out of the reach of children. Keep tightly closed and dry. Store away from strong oxidizers. Store at room temperature.
Personal precautions Environmental precautions Other information 7. Handling and Storage Handling	Do not flush into surface water or sanitary sewer system. 10. Chemical Stability & Reactivity Information

Chamical stability	Stehle under normal storage conditions
Chemical stability	Stable under normal storage conditions.
Conditions to avoid	Imaging Drum: Exposure to light
Incompatible materials	Strong oxidizers
Hazardous decomposition products	Carbon monoxide and carbon dioxide.
Possibility of hazardous reactions	Will not occur.
11. Toxicological Information	
Oral toxicity	LD50/oral/rat >2000 mg/kg; (OECD 401); Not harmful Not classified for acute oral toxicity according to EU Directive 67/548/EEC and 1999/45/EC.
Inhalation toxicity	No information available.
	Not classified for acute inhalation toxicity according to EU Directive 67/548/EEC and 1999/45/EC.
Eye irritation	Not classified as irritant, according to OSHA Hazard Communication Standard (HCS) and EU Directive 67/548/EEC and as amended.
Material name Q2612A-L-AD	MSDS US

(IP)	MATERIAL SAFETY DATA SHEET
invent	
Sensitization	Not classified as a sensitizer according to EU Directive 67/548/EEC and as amended, and OSHA HCS (US).
Chronic toxicity	No information available.
Carcinogenicity	None of the ingredients have been classified as carcinogens according to EU, IARC, MAK, NTP or OSHA.
Mutagenicity	Negative, does not indicate mutagenic potential (Ames Test: Salmonella typhimurium)
Reproductive toxicity	Not classified as toxic according to EU Directive 67/548/EEC and as amended, California Prop. 65, and DFG (Germany).
12. Ecological Information	
Ecotoxicity	96.00 Hours, LL50 > 1000 mg/l, rainbow trout
Persistence and degradability	Not available.
13. Disposal Considerations	
Disposal instructions	Do not shred toner cartridge, unless dust-explosion prevention measures are taken. Finely dispersed particles may form explosive mixtures in air. Dispose of in compliance with federal, state, and local regulations.
	HP's Planet Partners (trademark) supplies recycling program enables simple, convenient recycling of HP original inkjet and LaserJet supplies. For more information and to determine if this service is available in your location, please visit http://www.hp.com/recycle.
14. Transport Information	
Not available.	
General	Not a regulated article under United States DOT, IATA, ADR, IMDG, or RID.
15. Regulatory Information	
US federal regulations	US EPA TSCA Inventory: All chemical substances in this product comply with all rules or orders under TSCA.
